9 DAYS 8 NIGHTS SAFARI NORTHERN TANZANIA

GREAT NEWS ABOUT SOUTHERN CIRCUIT

"Tanzania's Southern Circuit offers a wilder, more secluded safari experience compared to the bustling Northern Circuit. Renowned for its sweeping, untouched landscapes and rich biodiversity, it's a haven for rare wildlife like the majestic sable antelope and African Wild dogs. Ideal for intrepid travelers craving authenticity, this off-the-beaten-path region invites adventure with walking safaris, riverboat excursions, and intimate fly-camping under the stars."

Day 2

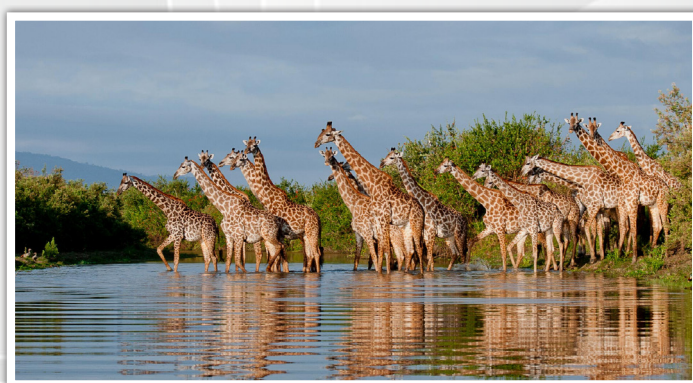

Arusha National Park

Accommodation

Tulia Boutique Hotel & Spa

In the morning our guide will collect you from your hotel to start your first safari day to Arusha National Park. You'll see wildlife – giraffe, zebra and buffalo are present and the birdlife is wonderfully varied. But it's the scenery here that most travelers remember, from the near-perfect volcanic cone that crowns the summit of Mt Meru to the Ngurdoto Crater, which often goes by the name of 'Little Ngorongoro'. And by focusing on the scenery rather than the animals, your visit to Arusha National Park nicely complements the other parks of Tanzania's northern safari circuit.

Afternoon: Walking safari, Arusha National Park

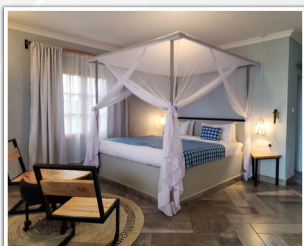

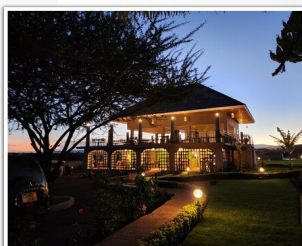

Day 3 Tarangire National Park

Accommodation

Heart & Soul Lodge Manyara

Morning: Enjoy the beautiful views of the local villages and Maasai herds on the way. Tarangire is filled with giants - baobab trees all across the park, as well as elephants, lots of them.

Evening: You'll be treated with personal attention to every request while staying in spacious and comfortable suites. The pool is surrounded by extensive lawns and interesting garden which is home to an array of birds and smaller wildlife.

Day 4

Lake Manyara National Park

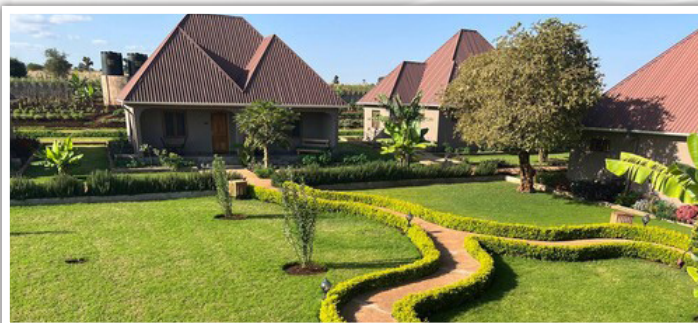

Accommodation

Heart & Soul Lodge Manyara

Morning to Afternoon: Full-day safari to Lake Manyara National Park

Afternoon: Lunch between banana plantation, Mto wa Mbu. Village tour per bike, Mto wa Mbu.

Evening: Return to Heart & Soul Lodge Manyara as you pass through the area.

Day 5

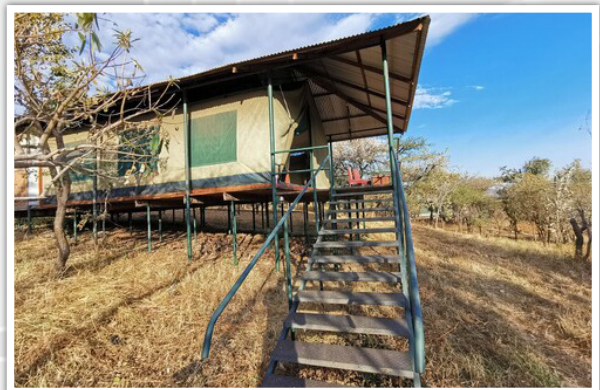

Ngorongoro Crater

Accommodation

Ngorongoro Wild Camp

Morning: Depart after breakfast to explore an astonishingly rich, self-contained ecosystem that is protected by high crater walls. Here, lions and hyenas hunt wildebeest and Grant's gazelle within sight of elephants and black rhinos.

Afternoon: Return to Wild Camp which has a lovely remote feel but is just a short drive from the wildlife action. Safari tents and cottages make up the camp, which is sometimes visited by giraffes. There's a bar, restaurant and swimming pool here.

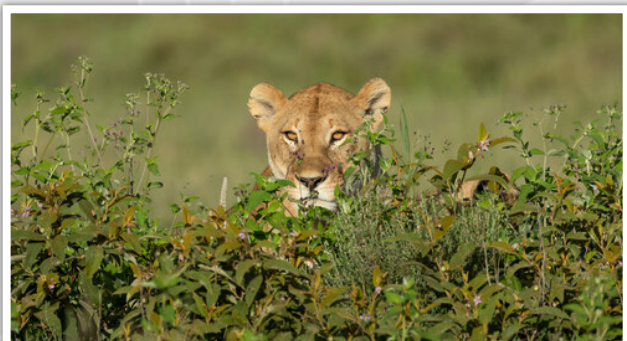

Day 6 Ndutu

Accommodation

Wildlands Mobile Camp

Morning: After breakfast, explore Ndutu which is particularly good for wildlife when the great migration passes through, framed against the vast horizon, at any time of the year. It's especially good for big cats, including tree-climbing lions.

Afternoon: There's so much for you to enjoy when you stay at Wildlands Mobile Camp, which puts you in the perfect position to enjoy this leg of your safari.

Day 7 & 8

Serengeti National Park

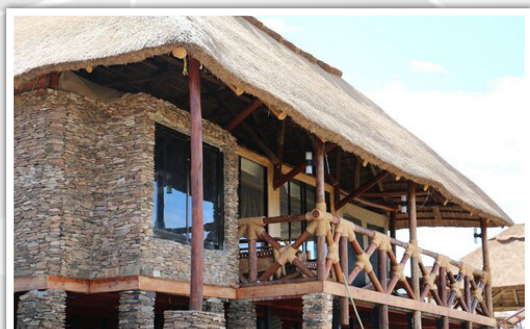

Accommodation

Serengeti Safari Lodge

Morning: A drive towards Serengeti National Park. Serengeti is one of the world's most famous wildlife destinations. We'll explore the vast plains in search of the Big Five and other animals like cheetahs, hyenas, and zebras.

On day 8 you will have a full day in Serengeti.

From Serengeti Safari Lodge, you can look out over the savannah grasslands of the central Serengeti, across acacia-studded plains that never seem to end.

Day 9

Serengeti National Park

Accommodation

-

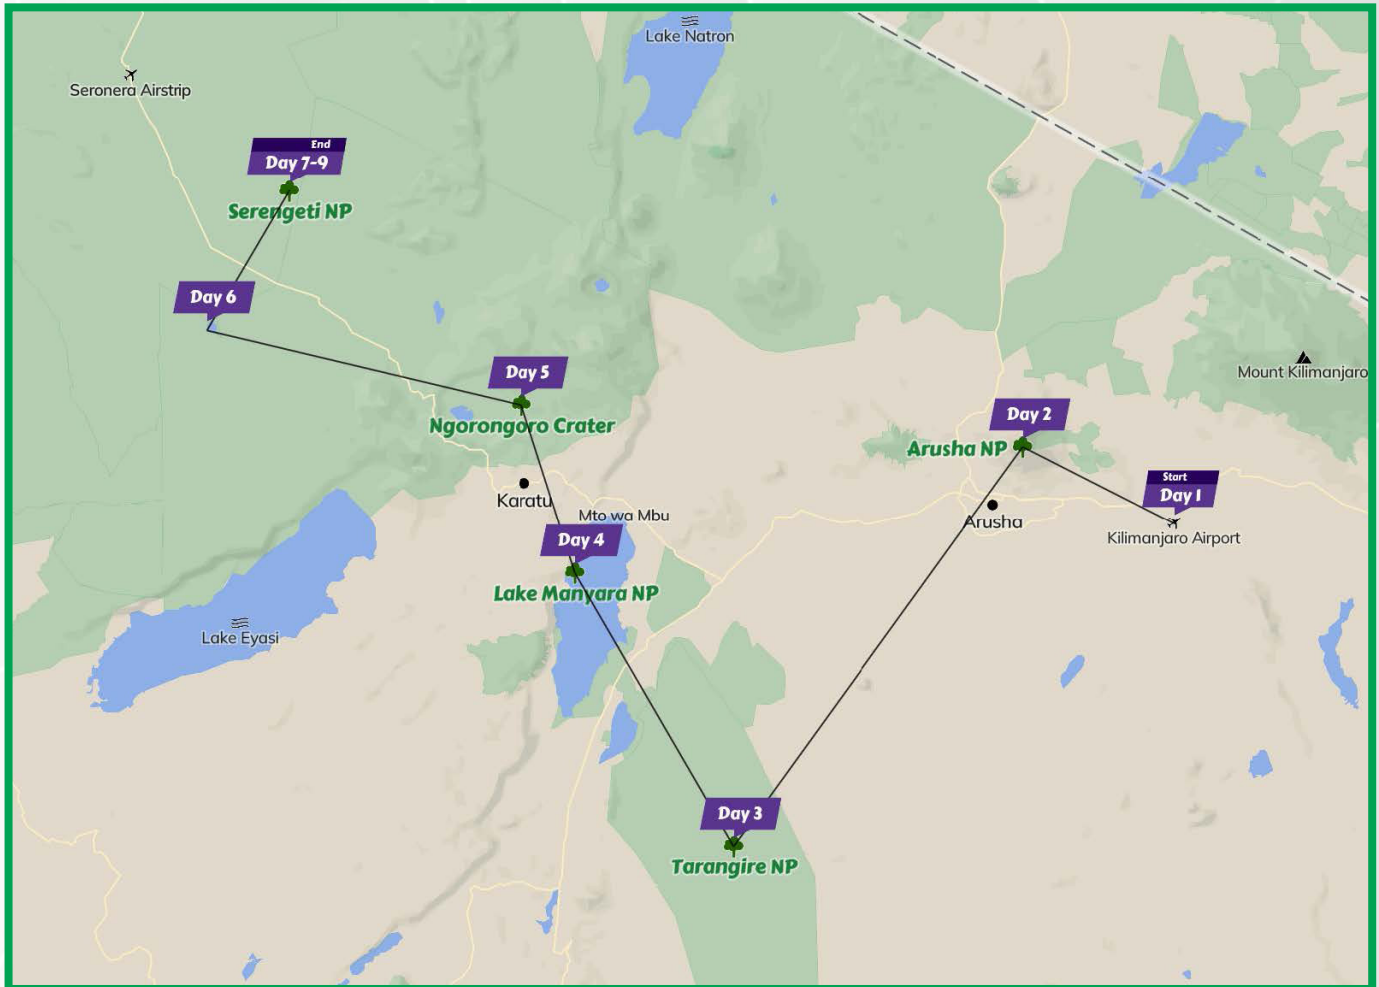

Morning: We will do one last game drive while heading to Seronera airstrip for your flight departure. This marks the end of your safari in Tanzania. We hope that you have enjoyed your trip and that you're already planning your next safari.

We will transfer you to the airport this morning.
